# RECIPES

USING THE BUILT-IN BACK OFFICE SOFTWARE, YOU CAN CUSTOMISE YOUR MENU, MONITOR DEMAND, STORE BEHAVIOURAL DATA, AND ANALYSE TRENDS

## EASILY ACCESS RECIPES ONLINE

All recipes are editable and can be modified or deleted via the user-friendly Backoffice software that can be easily accessed online from anywhere, no installation necessary.

## AUTOMATIC RECIPE UPDATES

For your convenience, Backoffice will engage in automatic software updates when connected to the internet, which will include access to new recipes as our Mixologists create them and share them with you!

## EASY ACCESS TO CUSTOMER DATA

Backoffice software also provides you with consumer data such as which drinks and spirit bases are most popular, how many drinks you have sold, and what products are in high demand. That way, you can use the data to better understand consumers' drinking trends and preferences, which will allow you to make product improvements and personalise your offerings.

## CREATE YOUR OWN UNIQUE COCKTAILS

BACKOFFICE SOFTWARE ALLOWS YOU TO ADD YOUR OWN CUSTOM DRINKS, SO YOU CAN SERVE YOUR CUSTOMERS WITH UNIQUE, SIGNATURE, AND WELL MADE COCKTAILS EACH AND EVERY TIME
